

Summer Adventure Code Challenge

You're all set for your big trip to rescue the Professor!

Your bags are packed, you've got your passport and you're on your way to the airport. But oh no, in the taxi you realise that your tickets and itinerary have been printed out in code! Every letter has been replaced by a number e.g. A=1, B=2, C=3 etc.

If you want to make it to the Amazon rainforest in Brazil and save the Professor, you'll need to crack the code using the clues below, figuring out the countries you have to visit along the way. Don't forget to draw your route on the map. The countries you will visit on your route are coloured in. Start with England and go from there!

Example

13	1	20	8	19	9	19	6	21	14
M	A	T	H	S	I	S	F	U	N

Itinerary

- | | | | | | |
|----|----------------------|----------------------|----------------------|----------------------|----------------------|
| 1. | 19 | 16 | 1 | 9 | 14 |
| | <input type="text"/> | <input type="text"/> | <input type="text"/> | <input type="text"/> | <input type="text"/> |
- | | | | | | | |
|----|----------------------|----------------------|----------------------|----------------------|----------------------|----------------------|
| 2. | 16 | 15 | 12 | 1 | 14 | 4 |
| | <input type="text"/> | <input type="text"/> | <input type="text"/> | <input type="text"/> | <input type="text"/> | <input type="text"/> |
- | | | | | | | |
|----|----------------------|----------------------|----------------------|----------------------|----------------------|----------------------|
| 3. | 20 | 21 | 18 | 11 | 5 | 25 |
| | <input type="text"/> | <input type="text"/> | <input type="text"/> | <input type="text"/> | <input type="text"/> | <input type="text"/> |
- | | | | | | |
|----|----------------------|----------------------|----------------------|----------------------|----------------------|
| 4. | 3 | 8 | 9 | 14 | 1 |
| | <input type="text"/> | <input type="text"/> | <input type="text"/> | <input type="text"/> | <input type="text"/> |
- | | | | | | |
|----|----------------------|----------------------|----------------------|----------------------|----------------------|
| 5. | 9 | 14 | 4 | 9 | 1 |
| | <input type="text"/> | <input type="text"/> | <input type="text"/> | <input type="text"/> | <input type="text"/> |
- | | | | | | |
|----|----------------------|----------------------|----------------------|----------------------|----------------------|
| 6. | 5 | 7 | 25 | 16 | 20 |
| | <input type="text"/> | <input type="text"/> | <input type="text"/> | <input type="text"/> | <input type="text"/> |
- | | | | | | | |
|----|----------------------|----------------------|----------------------|----------------------|----------------------|----------------------|
| 7. | 1 | 14 | 7 | 15 | 12 | 1 |
| | <input type="text"/> | <input type="text"/> | <input type="text"/> | <input type="text"/> | <input type="text"/> | <input type="text"/> |
- | | | | | | | |
|----|----------------------|----------------------|----------------------|----------------------|----------------------|----------------------|
| 8. | 2 | 18 | 1 | 26 | 9 | 12 |
| | <input type="text"/> | <input type="text"/> | <input type="text"/> | <input type="text"/> | <input type="text"/> | <input type="text"/> |

Up for another challenge?

Find out the capital city of each country you're visiting and then write it down in the code!
